Join a Simulated Live or Recorded webinar
How do I know which webinar type I'm joining?

The webinar confirmation email includes a link to the system requirements page. Depending on the webinar type, you'll be taken to the system check page for a **Standard (formerly called "Classic") webinar**, **Webcast webinar**, or **Recorded (formerly called "Simulated Live") webinar**. You can also reach out to the webinar organizer and ask what type of webinar he or she scheduled.

Check your system compatibility automatically

- **System check for Standard (formerly called "Classic") webinars**
- **System check for Webcast webinars**
- **System check for Recorded (formerly called "Simulated Live") webinars**
